

icepeach®

sweet, cool & tasty

how can we explain?

a surprising flavour

a crispy texture

a new sensation

it is impossible to simply  
define with words!

you have to try it..

## Savour the new ice peach®

- The peach with **crispy and juicy texture**.
- A unique flavour: **fresh, aromatic and really sweet** (16-20° Brix).
- Skin and flesh an **Ivory-white** in colour. Unique product.
- **Uniform and rounded shape**. Average weight 200 gr/fruit.
- **Antioxidant** content higher than other standard peaches.
- Excellent **post-harvest** characteristics in cold conditions (+20 days).
- Does not lose **flavour** when eaten cold from the refrigerator.
